Mr. Roger TenEyck  
c/o James D. Barrett Funeral Home  
1004 Lake Street  
Elmira, NY 14901

Dear Mr. TenEyck:

Thank you and the community of Elmira, New York for the generous donation of the 14 flag poles to the Department of Veterans Affairs Woodlawn National Cemetery, which were dedicated on November 11, 2009. The flag poles will allow the Woodlawn National Cemetery to display the United States flags that have been donated to the cemetery by families as part of the Avenue of Flags program. The flags will be flown on the new poles on special occasions and holidays throughout the year.

The compassionate actions that you and the citizens of Elmira have taken to show your dedication to Veterans, their families and the community will help us maintain Woodlawn National Cemetery as a national shrine. The flag poles will add a special tribute as we honor the memory of those interred or memorialized at the cemetery.

On behalf of the Department of Veterans Affairs National Cemetery Administration, Memorial Service Network Region-I, I present to you the enclosed Certificate of Appreciation. Thank you for your interest in our Nation's Veterans and Woodlawn National Cemetery.

Sincerely,

A handwritten signature in blue ink, reading "Kimberly M. Wright", is positioned above the printed name and title.

Kimberly M. Wright  
Director
